Note 8 explains the composition and other details relating to the various elements included in this Statement.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of the Preparation of the Financial Statements

The Financial Statements have been prepared in accordance with Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting*, issued by the International Public Sector Accounting Standards Board (IPSASB) and Local Authorities Accounting Policies (LAAPs).

These financial statements have been prepared in accordance with the historical cost convention as the basis of measurement, unless specified otherwise.

The accounting policies have been applied consistently throughout the period.

1.1 Migration to Accrual Basis Financial Reporting

Ndola City Council is required, under the Local Government Act No.2 of 2019 to produce a Statement of Comprehensive Income and a Statement of Financial Position. The production of these statements entails adoption and application of Accrual Basis of Accounting in financial reporting. However, the Act does not specify which particular accrual basis of accounting to use. In applying Cash Basis of Accounting, the Council followed guidance listed below:

(a) Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting*.

This standard provides that public sector entities adopting Accrual Basis for the first time may apply Cash Basis IPSAS provisions as an intermediate step to assist them in the transition to Accrual Basis IPSASs. In this vein, the Council has produced these financial statements under Cash Basis IPSAS as part of its transition to Accrual Basis of Accounting.

(b) Accounting Pronouncement: 2018/3 – Applicability of International Public Sector Accounting Standards (IPSASs).

This pronouncement issued by the Zambia Institute of Chartered Accountants (ZICA) pursuant to the Accountants Act, 2008 requires the adoption of Accrual Basis of Accounting by public entities by 31st December, 2027. The Council is preparing to adopt Accrual Basis IPSASs on 1st January, 2027

(c) Treasury and Financial Management Circular No 10 of 2019 issued by the Secretary to the Treasury pursuant to the Public Financial Management Act, No. 1 of 2018. The Treasury and Financial Management Circular provides as follows:

- i. That in order to have a standard financial reporting framework, all Local Authorities should adopt the International Public Sector Accounting Standards (IPSASs) Cash Basis of Accounting as a first step in migration to IPSASs Accrual Basis of Accounting.
- ii. Local Authorities shall use Part 2 of Cash Basis IPSAS which requires extra disclosures called 'Encouraged Additional Disclosures' in Cash Basis financial statements for the years ending 31st December 2019 up to 2021.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- iii. All Local Authorities shall adopt and apply Accrual Basis IPSAS of Accounting starting 1st January, 2027 by following the guidelines provided in IPSAS 33 – “First Time Adoption of Accrual Basis IPSASs”.
- iv. That the three (3) year transition period provided under IPSAS 33 should commence on 1st January, 2025 and should end on 31st December, 2027. Thereafter, all Local Authorities shall be required to comply fully with Accrual Basis IPSASs.

Based on these guidelines, the Council has not yet commenced production of Accrual Basis financial statements required by the Local Government Act, 2019. However, the Council has adopted Part 2 Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting* to help it transition its financial reporting to Accrual Basis IPSASs.

1.2 Reporting Entity

The Financial Statements are prepared for Ndola City Council (NCC). The financial statements encompass the Council as specified in the Constitution of Zambia (Amendment) Act No. 2 of 2016, the Local Government Act No.2 of 2019, and the Public Finance Management Act No.1 of 2018. It also includes projects and activities of the Constituency Development Fund and the Local Government Equalisation Fund in the City.

1.3 Authorisation Date

The financial statements were authorized for issue on,,,,,,,,,,,,,,,,,,,,,,,,,,,,, by the ordinary Council.

1.4 Revenue

a. Local Taxes

Article 161 of the Constitution of Zambia (Amendment) Act No. 2 of 2016 authorises Ndola City Council as a Local Authority to levy, impose, recover and retain local taxes. Further, the Local Government Act No. 2 of 2019 section 25(1) prescribes, subject to the Constitution and the Business Regulatory Act of 2014, a system of local taxes which Local Authorities can raise by passing by-laws imposing levies on:

- leviable persons owning or occupying property or premises situated within the area of the City
- leviable persons carrying on a business, trade or occupation within the area of the City ; or
- the purchase or sale of a commodity within the area of the District.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

b. Fees and Charges

Section 27(1) of the Local Government Act No.2 of 2019 empowers Local Authorities, subject to the Business Regulatory Act, 2014, to impose fees or charges payable to the Council:

Items of a capital nature are expensed at the time of payment and such transactions are depicted in the appropriate class and heading in the financial statements. Since capital expenditure is expensed when incurred, neither depreciation nor amortization is charged on non-current assets.

1.6 Reporting on Gross Basis

Transactions are reported on gross basis without netting off similar classes of receipts and payments. However, transactions may be reported on net basis when they relate to transactions the Council administers on behalf of other entities recognised in the Financial Statements

1.7 Cash in hand at the Beginning and the End of the Year

Cash at the beginning and end of the year consist of cash on hand, demand deposits and cash equivalents held at such dates.

Cash on hand refers to notes and coins held by the Council at the reporting date and it includes petty cash and cash collections not yet deposited into bank accounts. Demand deposits consist of reconciled balances held in the Council's bank accounts which it can use on demand. Cash equivalents, on the other hand, refer to short term high liquid investments that can easily be converted to known amounts of cash and are subject to insignificant risk of change in values.

The Council recognises all short term high liquid investments having maturities of three months or less as cash equivalents.

1.8 Local Government Equalization Fund

Article 163(2) of the Constitution of Zambia (Amendment) Act No. 2 of 2016 provides that Parliament shall annually appropriate monies to the Local Government Equalization Fund which shall be disbursed by the Ministry responsible for finance to Local Authorities. Receipts under LGEF supplement revenue generated by the Council. The Council uses at least 20% of the funds received from the equalization fund, in any financial year, to finance capital expenditure and the balance to meet operational expenses.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.9 Constituency Development Fund

The Constituency Development Fund (CDF) was established under Article 162(1) of the Constitution of Zambia (Amendment) Act No. 2 of 2016.

The fund was set up to finance micro-community projects for poverty reduction in communities and it is financed by monies appropriated by Parliament.

The administration of CDF is regulated by the Constituency Development Fund Act No. 11 of 2018. The Council maintains separate bank accounts for each constituency. Transfers are made to finance approved CDF projects.

1.10 Other Grants

These include grants in lieu of rates and support from Cooperating Partners. Grants in lieu of rates are paid by the Government to the Council to cover property rates of Government properties in the district. Support from Cooperating Partners may consist of cash receipts under bilateral and multilateral agreements.

1.11 Presentation Currency

The presentation currency is Zambian Kwacha.

1.12 Foreign Currencies

Transactions in other currencies are converted into Zambian Kwacha using the ruling Bank exchange rates at the time of payment. Balances expressed in foreign currencies at the year-end are translated into Kwacha at the ruling rate then. The resulting difference from the conversion and translation are charged to the Statement of Cash Receipts and Payments.

The Average rate and year end rates used were K11.91 to the dollar and K11.92 to the dollar respectively.

1.13 Borrowings

Borrowings comprise actual cash inflows received from financial institutions, bilateral and multilateral institutions.

1.14 Budgets and Actual Amounts

The approved budget is developed on the same accounting and classification basis, and for the same period as for the financial statements. All material differences between final budgets and actual amounts are explained in the notes to the annual financial statements. Budget differences of 20% and above are considered material.
