Agenda

- 1) Opening Remarks
- 2) *Presentation on Budgeting and Planning Framework:*
- 3) Presentation on Budget Performance
- 4) Presentation on Budget Proposals and Submissions
- 5) Plenary
- 6) Closing Remarks

BSK/05/26/09/25: Opening Remarks

The Town Clerk, Mr. George Mulenga welcomed and thanked all the stakeholders and recognized the presence of all the Councilors present at the 2026 Budget stakeholders Engagement meeting. He also said that the 2026 Budget Stakeholders Engagement meeting was a very important meeting and the presence of stakeholders was vital and highly appreciated.

the town clerk further extended his welcome to the business community representatives of MP's offices, the business community, representative of Ndola Farmers Union and thanked them for being in attendance.

He informed them that the meeting aimed to create a platform for civic leaders, business community, parastatals and government institutions to receive feedback on the budget and project implementation, performance and later allow them offer advice and input in the budget formulation and project proposals for the coming year.

He called upon everyone to offer honest criticism and advise and contribute to the process. he later declared the meeting open at 12:59 hrs.

BSK/06/26/09/25: Presentation on Budgeting and Planning Framework: Director of Finance

The Director City Planning made a brief presentation that explained the National planning and budgeting framework and spelt out the importance of planning and budgeting at District level whose role is to actualize national plans into physical project implementation with a positive impact to the development of the people. She additionally explained that one way this has been done if through the rolling out of the CDF programme.

She further enlightened the participants on the CDF scope, components and amounts and trends on CDF Implementation and how the performance had been the previous years; and the governments expectations as CDF was an Act of Parliament as a wider decentralization policy.

PLENARY

During the plenary session the Ward Development Committees expressed some of their concerns;

- The stakeholders wanted to know if all the Constituency Development Fund (CDF) projects that started in the year of 2024 had been completed and if not, what were the reasons behind the incompleteness of those projects.
- Why does the council take a lot of time to implement after decisions were made.

Program	Output Indicators	Target	Achieved/ Performance	Comments/Performance Attribution
1. Road Development and Maintenance	No. of Km of roads routinely maintained	20	15	The first phase of the works has been completed.
	No. of Km of rural access roads provided	20	14	6 km works outstanding. Implementation delayed due to the commitment of equipment to CDF roadworks
	No. of bridges periodically maintained	5	5	Completed
	No. of bridges constructed	1	1	The project is on-going at 90%
	No. of Km of culverts routinely maintained	30	30	Completed
	No. of culverts constructed	6	5	Works are on-going and on track
	No. of m ² of Potholes to be patched in the CBD	30	25	Achieved less due to transport challenges during the period under review
	No. of m ² of Potholes to be patched along main roads in townships	70	44	Pothole patching is on-going currently being done along Mwanawasa Road in Pamodzi
2. Road Safety Enhanced	No. of road signage installed	30	15	Works are on-going
	No. of road signage replaced	5	3	03 bent Signages were identified for replacement and successfully replaced

Concerns raised were noted by the high table and responses were given accordingly.

7) BSK/07/26/09/25 **Presentation on Budget Performance by Director of Finance**

A brief presentation by the Director Finance on the 2025 budget performance and the 2026 proposed budget.

Plenary

The stakeholders made submissions and posed some questions Director of Finance to lay clarity on revenue issues.

- There was need to expand road networks and establish bus routes as Ndola was growing as a city and more areas had been developed hence needed to be connected to the CBD to make it easy for traders to access services and trade, this would enhance revenue for the council.
- The stakeholders wanted to know why the put figures for the Ward Development Committees that were not attainable.

BSK/08/26/09/25: Presentation on Budget Proposals and Submissions

The brief presentation on 2025 infrastructure projects performance by the Director of Engineering Mr. Elias Mwalaba.

As at 25th September, 2025, the status of the implementation of Constituency Development Fund (CDF) Community Projects stood as attached hereto as tabulated below.

Plenary

- The department was advised to procure tables and chairs for senior secondary students as desks were only suitable for a certain age group especially those that were at primary school level.
- Construction of an abattoir was overdue and needed to be constructed as soon as possible as this affected a lot of farmers and had to outsource elsewhere this led to a lot of revenue for the council
- The stakeholder was concerned about the few proposed police post projects especially areas like Mushili ward which was a big ward with a large population depending on one police post. The department was advised to go back on the drawing board and budget to consider about 7 or 10 more police posts.
- The department to consider a construction of a bus station at Cairo Road in Masala.

BSK/09/26/09/25 2026 Proposed Capital Projects to be Funded Under ZDSP:

Public Health

- Construction of an abattoir

Markets and bus stations

A. Main Masala
