

NDOLA DISTRICT

MINUTES OF THE DISTRICT DEVELOPMENT COORDINATING COMMITTEE (DDCC) MEETING HELD ON TUESDAY 22ND JULY, 2025 AT NDOLA CITY COUNCIL CIVIC CENTRE, COUNCIL CHAMBER AT 10:40 HOURS

IN ATTENDANCE

Name	Designation	Institution
Ms. Precious Njekwa	District Commissioner	District Administration
Ms. Doroth Musenge Kababa	Director City planning	Ndola City Council
Mr. Hubert. M. Mwanza	Director Public Health	Ndola City Council
Mr. Festus Mwila Muselepete	Chairperson	NCMF
Mr. Fred Lupunga	Professional Assistant	Ndola Central MP Office
Ms. Carol Miti	District Forestry Officer	Forestry Department
Mr. Mwape Kapaya	Asst. Director HR & Admin.	Ndola City Council
Mr. Dackson Zulu	DF& Livestock Coordinator	Ndola City Council
Mr. Pasquill. S. Kakula	Director Planning	Ndola City Council
Mr. Sikapa Mayungano	A/DWS	Ministry of Infrastructure
Mr. Gift Lengwe	Cooperative Inspector	Ministry of SME
Mr. Rabson Musonda	Asst. Director Public Health	Ndola City Council
Mr. Venter Siamwanda	Head Procurement	Ndola City Council
Mr. Sunday Munkombwe	Senior Station Master	Zambia Railways
Mr. Joseph Banda	Program Officer	Healthy Learners
Mr. Shubert Mutale	SHEQ Officer	Zambia Railways
Mr. Lovemore Tembo	Environmental Planner	Ndola City Council
Ms. Lwiza Chisola	Environmental Planner	Ndola City Council
Mr. David Kabwe	District Water Dev. Officer	Water Resources Dept.
Moses. K. Chama	Community Dev. Asst.	Ministry of Community Dev.
Mr. Richard Hanguwa	Manager Dag Hammarskjöld	National Heritage Conserv.
Ms. Anna Grace Musonda	District Marketing Dev. Off.	Ministry of Agriculture
Ms. Catherine. B. Chela	Assistant Director Housing	Ndola City Council
Ms. Stella. I. Musekiwa	Community Dev. Officer	Ndola City Council
Ms. Chembe Chishimba	Director HR & Admin.	Ndola City Council

Ms. Bertha Sandabunga	District Admin. Officer	District Administration
Mr. Xavier Telebwe	Planning Engineer	Kafubu Water & Sewerage
Mr. Pousallia Saili	Assistant Com. Dev. Officer	Ministry of Community Dev.
Mr. Maiwase Phiri	District Registrar	National Registration Office
Mr. Daliso Mbawa	Officer	Office of the President
Mr. Chibesa Chandwa	Officer	Cabinet Office
Mr. Luck Filengu	CEHO	Ndola District Health Office
Dr. Sahera Shanty	CCS	Ndola District Health Office
Ms. Nakayiwa. T. Mwanza	Asst. Director City Planning	Ndola City Council
Mr. Simon Shanyinde	IT Manager	Ndola City Council
Ms. Rabbecca Nachilima	Socio Economic Planner	Ndola City Council
Ms. Fridah Phiri	Socio Economic Planner	Ndola City Council
Ms. Roiva Musonda	DESO	Ministry of Education
Ms. Harriet Lombe Ngosa	District Social Welfare Off.	Social Welfare
Mr. Prince. M. Chitangula	Socio Economic Planner	Ndola City Council
Mr. Elias Mwalaba	Director Engineering	Ndola City Council
Mr. Patrick Tembo	RTDRO	Department of Tourism
Mr. Kelvin Mpembamoto	District Planning Officer	Ndola City Council

AGENDA

- National Anthem
- Opening Prayer
- 1. Notice of Meeting
- 2. Adoption of Agenda
- 3. Self-Introductions
- 4. Apologies for Absence (if any)
- 5. Chairperson's Opening Remarks
- 6. Reading, Correction and adoption of the minutes of the previous meeting.
- 7. Matters Arising from the previous minutes
- 8. Presentation of Reports from sub-committees/Cluster Chairpersons
 - Economic Transformation and Job Creation Subcommittee
 - Human and Social Development Subcommittee
 - Environmental Sustainability Subcommittee
 - Good Governance Subcommittee
- 9. Presentation of New Ndola City Council Revenue Management System
- 10. Chairperson's closing remarks/ Prayer

DDCC/13/07/2025/3 NATIONAL ANTHEM AND OPENING PRAYER

The meeting commenced with a National Anthem, and after that, an opening prayer was offered by Mr. Dackson Zulu.

DDCC/14/07/2025/3 NOTICE OF MEETING

The notice convening the meeting was read by Mr. Mpembamoto, the District Planning Officer.

DDCC/15/07/2025/3 ADOPTION OF AGENDA

The committee agreed to amend the agenda by including an item which read as “*Presentation of a New System by IT section from Ndola City Council*”.

Upon a proposal by Mr. Dackson Zulu and duly seconded by Mr. Fred Lupunga, it was

RESOLVED THAT;

The amended agenda of the meeting be ***ADOPTED***.

DDCC/16/07/2025/3 SELF INTRODUCTIONS

All the members introduced themselves.

DDCC/17/07/2025/3 APOLOGIES

Apologies were received from the following:

1. Mr. George Mulenga – Town Clerk – Ndola City Council
2. Ms. Grace Banda - Hydo. Technician – Water Resources Dev.

DDCC/18/07/2025/3 CHAIRPERSON’S OPENING REMARKS

The Chairperson Ms. Precious Njekwa the new District Commissioner for Ndola, welcomed everyone to the meeting. However, she expressed disappointment over the low attendance of members in the meeting and in the respective subcommittees. She further noted that good governance had a low turn-out in comparison to other subcommittees committees. As such, she tasked each committee to form a WhatsApp group for easy communication. The Chairperson further emphasized the importance of DDCC and tasked the District Administrative Officer (DAO) to supervise all the Committees.

Furthermore, the Chairperson informed the house that as a new District Commissioner (DC) for Ndola District, she will be assessing the performance of each Committee and further warned that Committees that were not performing risked facing disciplinary action.

The Chairperson encouraged all members to fully participate in the deliberations emphasizing that the input of each member was key in shaping development in the District. After giving her remarks, she officially declared the meeting open.

DDCC/19/07/2025/3 READING, CORRECTION AND ADOPTION OF MINUTES OF THE PREVIOUS MEETING

Having corrected the minutes, the Committee agreed to adopt them. Upon a proposal by Mr. Lovemore Tembo and duly seconded by Mr. Fred Lupunga it was

RESOLVED THAT;

The corrected minutes of the DDCC meeting held on 3rd April, 2025 be ***ADOPTED.***

DDCC/20/07/2025/3 MATTERS ARISING FROM PREVIOUS MINUTES

There were concerns from members as to why there were a lot of gaps in the Human and Social Development Subcommittee Report. The Chairperson for the Sub-committee was urged to ensure that the report was updated before the next DDCC meeting.

Mr. Lupunga asked the Committee when the rehabilitation of roads in Ndola would start. In response, the Director of Engineering Services Mr. Elias Mwalaba informed the house that 16.2 kilometers was earmarked for rehabilitation and would be undertaken under the Ministry of Local Government and Rural Development Project. He further reported that the project was at tender stage.

Furthermore, the Director informed the Committee that 30 Kilometers of road works were earmarked for Ndola under the Ndola-Lusaka Dual carriage-way Project with three constituencies expected to benefit significantly.

PRESENTATION OF REPORTS FROM SUB-COMMITTEE OR CLUSTER CHAIRPERSONS

DDCC/21/07/2025/3 ECONOMIC TRANSFORMATION AND JOB CREATION SUB COMMITTEE REPORT

The report was presented by the Sub-committee Chairperson Mr. Dackson Zulu, the District Fisheries and Livestock Coordinator. He began his presentation by highlighting the composition of his committee which comprised members from Agriculture, Fisheries and Livestock, Tourism, Ndola City Council, Chamber of Commerce, RDA, Zambia Railways, ZESCO, Department of Housing and Infrastructure Development among others. The performance of the programmes under the cluster in the second quarter was as presented in the table below:

DEVELOPMENT OUTCOME 1: AN INDUSTRIALISED AND DIVERSIFIED ECONOMY					
STRATEGY 1: IMPROVE AGRICULTURAL PRODUCTION AND PRODUCTIVITY					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1. Infrastructure Development	No. of hatcheries and nurseries rehabilitated in GRZ Fish Farms	Fisheries & Livestock	-	-	No rehabilitation done as the District had no GRZ fish farm.
	No. of GRZ Fish farms established	Fisheries & Livestock	1	-	Resources needed to establish one
	No. of livestock service centres built	Fisheries & Livestock	1	0	Need to identify land and secure resources
	No. of Livestock breeding centres rehabilitated	Fisheries & Livestock	0	0	No livestock breeding Centre in the district
	No. of Milk Collection Centres constructed	Fisheries & Livestock	1	0	One site identified in Minsundu. Resources not available
	No. of livestock slaughter facilities constructed	Fisheries & Livestock	1	0	Need to identify land and resources
	No. of Livestock Market Centres Established	Fisheries & Livestock	1	0	Need identify land and secure resources
	No. of Abattoirs constructed/rehabilitated	NCC – Public Health	1	0	Need to identify land
	No. of camp staff houses constructed	Fisheries & Livestock	1	0	One house in Kafubu block at window level need to be completed
	No. of camp staff houses rehabilitated	Agriculture	1	1	Mukulungwe Camp house was rehabilitated and

					handed over under Agriculture
		Fisheries & Livestock	3	0	Need to rehabilitate one camp house in Minsundu, resources not available
2. Irrigation Development	No. of Irrigation infrastructure/facilities constructed	Agriculture – DACO	1	0	
	No. of irrigation schemes fully operational	Agriculture – DACO	1	1	Steady supply of horticultural crops to the town of Ndola
	No. of Hectares under Irrigation (Ha)	Agriculture - DACO	20	15	This is the size of land put to use by small scale farmers which is likely to exponentially increase.
	No. of small Earth dams Constructed	Agriculture – DACO	0	0	
	Land brought under irrigation (Hectares)	Agriculture – DACO	10	10	Hectares bound to increase in size with time
3. Climate Smart Agriculture Promotion	Hectares of land under Climate Smart Agriculture	Agriculture – DACO	850	315	Adoption levels are still low however, sensitizations are being intensified where area and number of farmers adopting climate smart agricultural technologies is expected to increase.
	Hectares of land under conservation agriculture (Ha)	Agriculture – DACO	450	170	
	No. of farmers using drought tolerant crop varieties	Agriculture – DACO	1700	510	
	No. of Climate Smart Technologies Developed and Commercialised	Agriculture – DACO	4	3	
4. Agricultural Mechanization	No. of small-scale farmers who own tractors with implements	Agriculture – DACO		36	The majority of the farmers cannot afford, unless when they are able to get SAFF loan under the mechanization component
	No. of small-scale farmers who own animal draught power	Agriculture – DACO	34	11	Lack of an Animal Draught Power officer to train the oxen
	No. of small-scale farmers who own Post harvesting and processing equipment	Agriculture – DACO	17	14	
	No. of small-scale farmers accessing tractor mechanization services	Agriculture – DACO	-	0	

	No. of small-scale farmers accessing mechanization fund (SAFF)	Agriculture – DACO	300	-	The mechanization component under SAFF has just been approved and farmers are yet to start applying for mechanization loans
5. Farmer Input Support	No. of beneficiary farmers accessing inputs under FISP	Agriculture – DACO	-	8,109	
6. Fisheries and aquaculture development	Quantity of fish under aquaculture produced (MT)	Fisheries & Livestock – DF&L Coord.	1,000	60	Most farmers did not harvest during the quarter
	Proportion of fish farmers accessing fingerlings from Certified Hatcheries (%)	Fisheries & Livestock	100	94	94% of fish farmers access their fingerlings from Certified Hatcheries,
	Quantity of fingerlings produced per quarter	Fisheries & Livestock	100,000	87,000	Private owned – on-going
	No. of youth cooperatives participating in aquaculture	Fisheries & Livestock	1	-	No youth cooperative is participating in aquaculture currently
7. Livestock Development	Poultry (Fowl pox - vaccination)	Fisheries & Livestock	6500	0	On-going
	Poultry (Infectious Coryza - vaccination)	Fisheries & Livestock	11250	0	On-going
	Dog (Rabbies - vaccination)	Fisheries & Livestock	3500	50	On-going
	Cows (S19 vaccine)	Fisheries & Livestock	750	0	On-going
	No. of animals branded/marked for identification	Fisheries & Livestock	-	-	Activity centrally done at HQ
8. Extension Service Ssupport	No. of extension officers recruited (Fisheries/Livestock/Agriculture)	Agriculture	0	0	We have not received any new recruited extension officer despite having a vacant in one camp.
		Fisheries & Livestock	0	0	Activity centrally done at HQ
	No. of motorbikes purchased	Agriculture	21	8	8 new motorbikes were received against 17 agricultural camps and 4 blocks
		Fisheries and Livestock	5	0	Activity centrally done at HQ
	No. of training materials prepared	Agriculture	4	4	4 training materials have been developed despite lack of available resources to administer these training materials

		Fisheries & Livestock	1	1	Training manual for Dairy enterprise developed
	No. of field visits/backstopping field visits (Fisheries/Livestock/Agriculture)	Agriculture	68	17	All the 17 camps were visited in the first quarter and the other visits to meet the target will be conducted in remaining quarters of 2025.
		Fisheries & Livestock	34	22	On-going
9. Farm block and Resettlement schemes development	Kilometres of roads in farm blocks rehabilitated	RDA/NCC – DE			
	No. of Farms/ farm blocks electrified	ZESCO/REA			
	No. of bridges rehabilitated in the farm blocks	RDA/NCC – DE			
	No. of boreholes drilled in Farm blocks/Resettlement Schemes	Water Affairs	6	6	

STRATEGY 2: PROMOTE TRADITIONAL AND NON-TRADITIONAL MINERALS					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comment/Performance Attribution
1. Artisanal and small-scale mining development	No. of mining cooperatives registered	Registrar of Societies			

STRATEGY 3: PROMOTE VALUE ADDITION AND MANUFACTURING					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comment/Performance Attribution
2. Skills Training	No. of youths trained from Skills Centres and TEVET Institutions	NCC-Planning/Housing, TEVETA	200	326	We achieved above target because of CDF and TEVETA sponsorship

STRATEGY 4: PROMOTE TOURISM GROWTH					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
	No. of heritage sites developed/rehabilitated	Tourism/Heritage commission	0	0	No targets were set for the quarter.

1. Tourism Infrastructure development	No. of Government Hotels developed/rehabilitated	Ministry of Tourism			
	No. of private hotels/lodges developed	Ministry of Tourism	0	0	Private sector-driven initiative; Ministry provides oversight but does not directly implement.
	No. of kilometres of access roads to tourist sites rehabilitated and maintained	Ministry of Tourism/RDA			
	No. of Museums rehabilitated	Ministry of Tourism	0	0	Currently no allocation for museum rehabilitation in the budget. With adequate funding, further rehabilitation works would certainly be undertaken.
2. Tourism promotion and marketing	No. of tourism exhibitions conducted	Ministry of Tourism	1	1	One exhibition was successfully conducted
	No. of local visits to tourism sites	Ministry of Tourism	250	541	Target exceeded, indicating increased domestic tourism interest
	No. of international visits to tourism sites	Ministry of Tourism	40	13	Number of tourists visiting varies depending on the time of year
	No. of Tourism and Hospitality Licenses issued	Ministry of Tourism			
3. Sports, Arts and Culture (sport)	No. of Organised Art/cultural events held	NCC – Housing	02	0	No funds
	No. of cultural dance groups registered	NCC – Housing	05	02	Target was not achieved because of lack of information on the registration process, therefore, an awareness training is needed
	No. of Athletes participating in organised sport tourism events	NCC – Housing	100	150	We achieved above target because more teams came on board.
	No. of Constituencies supported with sports equipment	NCC – Housing	04	02	On going

STRATEGY 5: IMPROVE TRANSPORT AND LOGISTICS					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1. Road Development and Maintenance	No. of km of roads routinely maintained	RDA/NCC-Engineering	15	10	Target was not reached due to heavy rainfall during the period
	No. of km of rural access roads provided	RDA/NCC-Engineering	20	14	Heavy rainfall experienced from April to May affected the output
	No. of bridges periodically maintained	RDA/NCC-Engineering	4	4	Completed
	No. of bridges constructed	RDA/NCC-Engineering	7	6	On-going program
	No. of culverts routinely maintained	RDA/NCC-Engineering	40	40	Completed
	No. of culverts constructed	RDA/NCC-Engineering	15	12	Works are on-going and on track
2. Road Safety Enhanced	No. of road signage installed	NCC-Engineering/RATSA	50	25	Works are on-going
	No. of road signage replaced	NCC-Engineering/RATSA	0	2	Signage were identified and successfully replaced
	No. of Road Traffic Accidents recorded	RATSA/ZP			
	No. of sensitizations conducted on road safety	RATSA engagement with stakeholders	20	05	So far 7 engagement meeting with various stakeholders across the province
	Road worthiness certificate issued to be certified/issued with fitness certificates as they move on public roads	RATSA	80,000 public service vehicles 20,000 private vehicles	20,000 certificates issued 5,000 certificates issued	
	No. of driving licenses issued according to class. (A, A, C, C1 etc.)	RATSA			
3. Inland Water Development and maintenance	No. of road safety patrols conducted	RATSA/ZP			
	Kms of Canals/streams/rivers dredged	NCC - Engineering	1	0.5	Achieved less than target due to constant break down of the machines
	No. of dredgers operational	NCC - Engineering	2	2	Both machines are operational

STRATEGY 8: ENHANCE MANAGEMENT AND PRODUCTIVE USE OF WATER RESOURCES					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Performance Attribution
1. Water Resources Mapping	Number of Water Resources Maps Produced	WARMA	10	10	Availability of engineering software applications and technical staff

DEVELOPMENT OUTCOME 2: ENHANCED CITIZENRY PARTICIPATION IN THE ECONOMY					
STRATEGY 2: PROMOTE ENTERPRISE DEVELOPMENT					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1. Small and Medium Scale Enterprises Development	No. of MSMEs compliant with business registration requirements	MSMEs	5	8	Most businesses are compliant with business registration. During the period 30 applications were submitted of which 8 were registered as cooperatives. Of these 6 were certified as Multi-purpose cooperatives. One (1) was registered as agricultural and the other as Dairy cooperative
	No. of annual returns filed	PACRA			
	No. of business names registered	PACRA			
	No. of companies registered	PACRA			
	No. of MSMEs trained in productivity improvement	MSMEs	4	7	B2B Expo and the SME conference provided an excellent training for our local SMEs on marketing, pricing and branding
	Percentage of Youth servicing the loans (Empowerment Funds)	CEEC/NCC - Planning			
	No. of businesses accessing Empowerment funds	CEEC/NCC - Planning			

The Director of Engineering Mr. Mwalaba also gave a brief report on the performance of CDF under community projects in all the four constituencies from 2023 to 2025 as well as the performance of the Cash for Work Programme. The performance and status of the CDF projects and Cash for Work Programme was as shown on Appendix 1.

After the report was presented, members made comments. The first comment came from the District Commissioner (DC) who asked why all CDF projects were at Tender stage. In response, Mr. Mwalaba indicated that significant progress was made following the acceleration of procurement procedures and that soon all projects would be cleared for full implementation.

Another member asked why performance for Dog Rabies vaccination was low, that is, 50/350. In response, the Chairperson for Economic Transformation and Job Creation sub-committee indicated that going forward more sensitization and vaccinations would be done.

There was also a question from a member on when at least one hatchery and nursery would be rehabilitated in the district. In response, the sub-committee chairperson indicated that plans were underway and that an assessment would soon be undertaken.

Furthermore, it was noted that information that was supposed to be provided by Road Transport and Safety Agency was missing. For this reason, the District Commissioner (DC), reminded the house to ensure that each institution that was a member of the DDCC to provide information as required.

DDCC/22/07/2025/3 HUMAN AND SOCIAL DEVELOPMENT SUB-COMMITTEE REPORT

The report was presented by Ms. Roiva Musonda the District Education Standards Officer (DESO) on behalf of the Subcommittee Chairperson Dr. Lillian Nyendwa the District Health Director.

The performance of each Programme during the period under review was presented in the table below.

DEVELOPMENT OUTCOME 1: IMPROVED EDUCATION AND SKILLS DEVELOPMENT					
STRATEGY 1: Enhance access to quality, equitable and inclusive education					
Programme	Output Indicators	Responsible Institution	Target	Achieved/Performance	Comments/Performance Attribution
1. Early Childhood Education	No. of ECE centres established	Education - DEBS	60	33	Still implementing in other schools
	No. of ECE Centres inspected	Education – DEBS/DESO	10	12	
	No. of ECE teachers deployed	Education - DEBS		1	Only vacancy available
	No. of ECE teachers qualified to teach LSEN deployed	Education - DEBS		None	
	ECE enrollment rates (Boys vs Girls)	Education - DEBS		1924:1962	
2. Primary Education	No. of Primary teachers deployed	Education - DEBS		4	Only vacancies available
	No. of Examination Centres monitored per quarter	Education - DEBS	20	20	
	No. of standard visits to inspect Primary Schools per quarter	Education – DEBS/DESO	30	37	Maximum support from the district Education board
	No. of Primary teachers qualified to teach LSEN deployed	Education - DEBS		none	
	No. of Teachers qualified to provide Guidance and Counselling services deployed	Education - DEBS		None	
	Primary education enrollment rates (Boys vs Girls)	Education - DEBS		35,495: 38,716	Successful implementation of the free Education and Education for all policy
3. Adult literacy	No. of YALE learners enrolled in YALE centres	Education - DEBS	10,000		Depends on individual needs Others learners fail to come due to financial challenges
	No. of Community Skills Training Centres Registered by TEVETA	Education - DEBS	1	1	Only existing skills Centre in the district
	No. of skills centres whose infrastructure is rehabilitated	Education - DEBS	NA	NILL	NILL
4. Secondary education	No. of Standard visits to inspect Secondary schools	Education – DEBS/DESO	19	19	Maximum support from the DEBS

	No. of Examination centres monitored	Education - DEBS	56	56	Maximum support from the DEBS
	No. of secondary school teachers deployed	Education - DEBS		34	Only vacancies available
	No. of Centres of Excellence fully established	Education - DEBS		nil	Conflicting with education for all policy
	No. of Secondary School Teachers qualified to provide Guidance and Counselling (G&C) services	Education - DEBS	43	23	Yet to receive trained Guidance and counselling teachers through teacher recruitment.
5. Curriculum review	No. of teachers trained in the new curriculum	Education - DEBS	4,141	4141	All the teachers have been oriented.
	No. of schools supplied with new curriculum materials	Education - DEBS	102	102	Soft copy documents were shared to all the schools. And hard copies of curriculum review and modules were also shared with schools
	Pupil text book ratio by subject	Education - DEBS	1:3	1:10	Due to high enrolments experienced in schools
6. Infrastructure development	No. of classrooms constructed at ECE centres	Education - DEBS	1	NIL	Yet to be completed
	No. of classrooms constructed at primary schools funded under CDF or other funding.	Education - DEBS	24	2	Yet to be completed
	No. of classrooms constructed at secondary schools funded under CDF or other funding,	Education - DEBS	3	3	Yet to be completed
	No. of primary schools rehabilitated	Education - DEBS	14	4	Yet to be completed
	No. of secondary schools rehabilitated	Education - DEBS		None	
	No. of staff houses constructed (primary School)	Education - DEBS		none	
	No. of staff houses constructed (secondary School)	Education - DEBS	24	Nil	Yet to be completed
	No. of boarding/bed spaces constructed	Education - DEBS	240	240	Yet to be completed

	No. of laboratories constructed at secondary schools	Education - DEBS	6	none	Yet to be completed
7.ICT Promotion	No. of schools offering ITC	Education - DEBS	102	102	It is a requirement
	No. of computers in schools offering ITC	Education - DEBS	3,060	1,836	All schools should have computers.
	No. of teachers trained in ITC	Education - DEBS		43	More staff however is needed
	No. of STEM teachers/lecturers recruited	Education - DEBS		12	Only vacancies available
8. Re-entry Policy	No. of pupils re-entered after pregnancy and child marriage	Education - DEBS		none	Yet to record

STRATEGY 2: Enhance science, technology and innovation

Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comment /Performance Attribution
1. Science Technology Engineering Mathematics (STEM)	No. of STEM schools in the District	Education - DEBS		1	Only one institution that is offering fully, but some secondary schools have stem career pathways
	No. of learners taking up STEM subjects	Education - DEBS	NA	NA	NA
	No. of STEM teachers recruited/deployed	Education - DEBS		12	NA

DEVELOPMENT OUTCOME 2 – IMPROVED HEALTH, FOOD AND NUTRITION

STRATEGY 1: Strengthen Public Health

Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comment/ Performance Attribution
1. Disease Prevention and Control	Voluntary Medical Male Circumcision (VMMC) Coverage	Health - DHD		13%	Inconsistency supply of consumables and logistics
	Tuberculosis (TB) notification rate	Health - DHD		82%	Inconsistency supply of logistics
	Coverage of Breast Cancer screening	Health - DHD		83%	
	Coverage of Cervical Cancer screening	Health - DHD		80%	
	No. of 2 nd and 3 rd level facilities providing elderly-friendly services	Health - DHD			N/A

2. Maternal health Care	Proportion of pregnant women attending the antenatal care (ANC) in the first trimester.	Health - DHD		34%	
	Average number of visits before delivery	Health - DHD		7.2	
	Proportion of pregnant women provided with 5 basics antenatal services at 1 st ANC	Health - DHD		82%	
3. Improved Maternal Nutrition	Proportion of first Antenatal clients receiving iron and folic supplementation	Health - DHD		82%	
	Proportion of Facilities meeting WASH and Hygiene standards	Health - DHD	42	39/42	Kawama, Pamodzi and Kafubu block have toilet and water challenges
	Proportion of health posts and centres with functional maternity wings.	Health - DHD	14	1/14	Only George HP has functional maternity wing
4. Child survival and Development	Coverage of child weight and height taking	Health - DHD		46.3%	
	Proportion of children attaining developmental milestones at an appropriate age	Health - DHD		79.7%	
	Percentage of fully immunised Children at 2 years	Health - DHD		55.4%	
	Percentage of babies initiated to breastfeeding within 1 hour of birth	Health - DHD		78%	
	Proportion of targeted children under 5 provided with ITN	Health - DHD		82.9%	
	Proportion of under five children cured for severe acute malnutrition (cure rate)	Health - DHD			
5. Family Planning Promotion	No. of Women accessing Family Planning Services	Health - DHD		50,045	
6. Epidemic Preparedness and Control	Proportion of facilities meeting minimum standards to prevent and respond to health risks	Health - DHD	42	42/42 100%	All facilities have capacity to respond to health risks
	No. of health threats investigated as a proportion of all threats reported through the surveillance system	Health - DHD	6	6/6 100%	Cholera, Mpox Dysentery, Typhoid, Maternal Death and Food poisoning

STRATEGY 2: INCREASE ACCESS TO QUALITY HEALTH CARE

Programme	Output Indicators		Responsible Institution		Target	Achieved/ Performance	Comments/ Performance Attribution
1. Infra structure Development	Proportion of functional essential equipment at each level of care (Level 1,2,3 Hospital)		Health - DHD		45 HF	31/45 90%	Kabushi maternity, Kanayanje HC, Mutambra HC, Twatasha HC, George HC not full equipped
	No. of maternity annexes constructed		Health - DHD		4	3/23 2%	George, Twatasha and Mutambara completed Kanyanje still under construction
	No. of health facilities constructed		Health - DHD		5	3/23 13%	Only 3 new health facilities were constructed and completed i.e.(Mutambara, Twatasha and Kanyanje). Mushili and Cancer hospital still under construction
	No. of staff houses constructed.		Health - DHD		9	0/9	No staff houses constructed under the period in the HPs
2. Medicines and Medical Supply Chain Management	Percentage availability of vaccines	BCG	100%	100%	All facilities are well stocked	All facilities are well stocked	
		OPV3	100%	100%	All facilities are stocked with OPV	All facilities are stocked with OPV	
		DPT3	100%	100%	All facilities are stocked with DPT	All facilities are stocked with DPT	
		Measles	100%	100%	All facilities are stocked with measles	All facilities are stocked with measles	
	Percentage availability of Drugs and Essential Medical Supplies	ARVs	100%	100%	ALL ARVs are available I facilities.	ALL ARVs are available I facilities.	
		TB	100%	100%		Quinine out of stock Stocked out of certain surgical.	
		Ant-malaria	100%	100%	Quinine out of stock	Quinine out of stock Stocked out of certain surgical.	
		Others medical supplies	98%	98%	Stocked out of certain surgical.		

3. Equipment and Transport procurement and maintenance	Percentage of functional ambulances (Runners)	Health Centres	78%	78%	Only 1 ambulance is functional though limping.	Only 1 ambulance is functional though limping.
		Hospitals (Level 1,2,3)	5	1/5	Only 1 ambulance is functional though limping	Only 1 ambulance is functional though limping
4. Mobile Health Services	No. of out reach activities undertaken	Health - DHD		9	3/9	St Dominic 2/3, Chifubu level 1 1/3, Mushili level 1 0/3
5. Human resource development	Percentage of facilities with at least 80% of professional staff on establishment filled	Health - DHD		42	0/42	All facility structures are not fully funded

STRATEGY 3: ENHANCED FOOD SECURITY AND NUTRITION

Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comment/Performance Attribution
1. Supplementary School Feeding	Proportion of Schools Implementing School Feeding	Education - DEBS		1	Only one institution that is offering fully, but some secondary schools have stem career pathways
	Percentage of availability of food supplies to schools implementing school feeding	Education - DEBS	NA	NA	NA

STRATEGY 4: STRENGTHEN INTEGRATED HEALTH INFORMATION SYSTEMS

Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1. Health information management system integration	Proportion of facilities with functional electronic health care systems (SMARTCARE, eLMIS and DISA (Disalab))	Health - DHD	42	0/42	Network and power supply challenges.
	Proportion of facilities using NAVISION	Health - DHD	42	0/42	Only DHO uses NAVISION
2. Civil Registration and Vital Statistics automation	No. of health facilities connected to INRIS	Health - DHD	42	0/42	No facility is connected to INRIS.

DEVELOPMENT OUTCOME 4 – REDUCED POVERTY, VULNERABILITY AND INEQUALITY					
STRATEGY 1: Improved Coordination of Social Protection Programmes					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/ Performance Attribution
1. Social Protection (SP) Integration	No. of vulnerable people referred to Social Protection Programmes through SWI	Social Welfare - DSWO	23,051	29,159	Target achieved
STRATEGY 2: Enhance welfare and livelihoods of poor and vulnerable people					
1. Social Cash Transfer (SCT)	percentage of the poor population in the District receiving Social Cash Transfers	Social Welfare - DSWO	40	Target not achieved	More categories should be included e.g. female headed household
	No. of bimonthly cash transfer payments provided	Social Welfare - DSWO	2	Target was achieved	Currently waiting to commence the May/June 2025 bimonthly payments.
	No. of beneficiaries provided with emergency cash transfers	Social Welfare - DSWO	29,157	28,682	475 -waiting for wallet creation by ZANACO. ECT has come to an end with March/April 2025 being the last cycle.
2. Livelihood and Empowerment schemes decentralization	No. of women trained in Life and Business Skills and other entrepreneurship training programmes	Community Development/Social Welfare	-		The district did not train any women during the period under review
	No. of women's Clubs accessing Cash Grants	Community Development/Social Welfare	196	196 women's clubs accessed cash grants under CDF in 4 constituencies	
	No. of women accessing micro credit support (Village Banking)	Community Development/Social Welfare	11	11 women were supported with a grant of K2,500	The cycle just started and will run for 6 months.
3. Public Welfare Assistance Scheme (PWAS)	No. of vulnerable individuals provided with in-kind support.	Social Welfare - DSWO	86		86
4. Disability Services	No. of disability institutions provided with grants	Community Development/Social Welfare	Target was Achieved	Clients are being helped in order to cater for	Target was Achieved

				their own social change	
	No. of persons with disabilities provided with assistive devices	Community Development/Social Welfare	86		86
	No. of persons with disabilities provided with social assistance	Community Development/Social Welfare	- 35	35 persons with disabilities benefited from the food security pack program	The department will ensure persons with disabilities are included in all departmental programs
5. Food Security Support	No. of farmer households supported with Rainfed food security packs	Community Development – DCDO	- 1,170	The district conducted monitoring of crop harvest and are sensitizing beneficiaries on the payback	
	No. of farmer households supported with Wetland food security packs	Community Development - DCDO	-		The district is not implementing traditional wetlands
	No. of households supported with Alternative Livelihood Interventions (ALI)	Community Development – DCDO	67	20 beneficiaries passed on 60 pigs to 20 beneficiaries in Munkulungwe. 27 beneficiaries from Mwenge B received 82 pigs.	The district managed to pass on and have continued to monitor the beneficiaries
	No. of poor and vulnerable farmer households receiving the cropping food security packs supported with agricultural insurance	Community Development – DCDO	NIL		The district does not have beneficiaries receiving Food security pack program with agricultural insurance

*The report was **NOTED***

DDCC/23/07/2025/3 ENVIRONMENTAL SUSTAINABILITY SUB-COMMITTEE

The report was presented by Ms. Carol Miti, the District Forestry Officer who is the Subcommittee Chairperson. The performance of the programmes under the Environmental Sustainability cluster was as shown in the table below.

DEVELOPMENT OUTCOME 1: ENHANCED MITIGATION AND ADAPTATION TO CLIMATE CHANGE**STRATEGY 1: Strengthen Climate Change Adaptation**

Programme	Output Indicators	Responsible Institution/ department	Target	Achieved/ Performance	Comment/ Performance Attribution
1. Long-term adaptation planning	# of Ha of pine plantation managed	Forestry	100	100	Available resources
	# of seedlings raised at the nursery	Forestry	50,000	14,000	Limited resources
2. Nature-based solutions	# of Ha of natural regeneration of trees at Mwekera stream source	Forestry	200	200	Limited resources
3. Sustainable land, forest and water management	# of forest reserves managed	Forestry	6	6	Resources

STRATEGY 2: Strengthen Climate Change Mitigation

Programme	Output Indicators	Responsible Institution/ department	Target	Achieved/ Performance	Performance Attribution
1. Sustainable Forest Management	# of blitz patrols conducted	Forestry	1	1	Available resources
2. Pollution prevention and control	# of Pollution Hot Spot Areas identified, mapped and updated quarterly	ZEMA			
	# of submitted Environmental Impact Assessments reviewed	ZEMA			

	# of received Environmental Impact Assessments reviewed (EPB/EIA)	NCC – DCP (Environmental Section)	15	13	The section received lesser number of EPBs from ZEMA than anticipated during the period under review.
	# of compliance inspections conducted to licensed facilities	ZEMA			
	Percentage Compliance to Environmental Standards	ZEMA			

DEVELOPMENT OUTCOME 2 – SUSTAINABLE ENVIRONMENT AND NATURAL RESOURCES MANAGEMENT

STRATEGY 1: Promote Integrated Environmental Management

Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Performance Attribution
1. Pollution prevention and control	# of tree nurseries managed	Forestry	1	1	Limited resources
	# of Monitoring Ambient air, soil and water quality assessments undertaken	ZEMA			
	Tonnage of solid waste collected and recycled	NCC – Public Health	N/A		No information available at the moment
	Tonnage of household waste collected and disposed off at authorized disposal facility	NCC – Public Health	20 000	14 500	Availability of equipment for waste collection
	# of environmental awareness and capacity building programmes undertaken	ZEMA			
	# of licenses issued to entities dealing in Highly Hazardous Pesticides (HHPs)	ZEMA			

4. Urban and Regional Planning	# of Local management plans for protected areas developed	Forestry	1	0	No resources
	# of Urban/Layout Plans Prepared	NCC – Planning Department		07	

STRATEGY 2: Enhance Natural Resources Management					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Performance Attribution
1 Sustainable land and forest management	# of forest reserves managed	Forestry	6	6	Limited resources
	# of Ha of forests Planted	Forestry	4	4	Limited resources
	# of trees Planted	NCC – DCP (Environmental Section)	35	35	For this quarter the trees were planted around the council garden in Kanini ward
2. Water catchment protection and conservation	# ha of Mwekera stream source conserved	Forestry	200	20	Limited resources

DEVELOPMENT OUTCOME 1: ENHANCED MITIGATION AND ADAPTATION TO CLIMATE CHANGE					
STRATEGY 1: Strengthen Climate Change Adaptation					
Programme	Output Indicators	Responsible Institution/Dpt.	Target	Achieved/ Performance	Performance Attribution
1. Climate Smart Agriculture Promotion	Hectares of land under Climate Smart Agriculture	Agriculture	850	315	Adoption levels are still low however
	Hectares of land under conservation agriculture (Ha)	Agriculture	450	170	sensitizations are being intensified where area and number of farmers adopting climate smart agricultural is expected to increase
2. Nature-based solutions	No. of farmers using drought tolerant crop varieties	Agriculture	1700	510	Adopting climate smart agricultural technologies is

	No. of climate smart Technologies developed and commercialized		4	3	expected to + increase b For second quarter an additional 15 Ha is for horticultural crops under climate smart agriculture
--	--	--	---	---	--

STRATEGY 3: Enhance Disaster Risk Reduction and Response					
Programme	Output Indicators	Responsible Institution/Dept.	Target	Achieved/ Performance	Comment/Performance Attribution
1. Disaster Preparedness and Mitigation	Disaster preparedness and mitigation system developed	DMMU	01	01	The presence of the Satellite Disaster Management committees in the wards and the District Disaster Management committees.
	Number of District Disaster Preparedness plans developed	DMMU	01	01	The district preparedness plan is updated annually. Therefore, the current plan is subject to changes after the rain season during which hazards are identified
	Annual of District Maize reserves (Metric tonnes)	DMMU			
	Number of satellite committees formed	DMMU	30	30	only 21 are active currently, with an inclusion of Kantolomba SDMC.
	Number of satellite committees monitored	DMMU	30	30	
	Number of functional satellite committees trained in Community Based Disaster	DMMU	02	02	Kaniki and Kantolomba SDMCs were trained during the second quarter.

	Risk Management (CBDRM)				
	Number of districts implementing Climate and Disaster Resilience programmes	DMMU			
	Number of district hazard, vulnerability and capacity maps developed	DMMU	01	01	
	Number of Climate and Disaster Resilience programmes implemented from CBDRM Action plans	DMMU	01	01	A capacity building program on the utilization of the CDF 5% Disaster utilization to building resilience was attended. Training of Kaniki and Kantolomba SDMCs was successfully conducted to build capacity for response to climate change related change incidents.
3. Disaster Response and Recovery	Number of District Incident Management Systems established	DMMU	01	01	No disaster or emergency incidents were recorded in the second quarter.
	Number of critical infrastructures constructed with Build Back Better (BBB) principles	DMMU	08	07	Kabushi Constituency (04 Projects) a. Dambo blown off roof b. Drainage of Chiwala road c. Drainage in Copperland d. Rehabilitation of Kwabunga Bridge
	Proportion of vulnerable households receiving humanitarian relief assistance	DMMU			

	Proportion of households whose livelihoods are rehabilitated	DMMU			
	Number of In-depth vulnerability assessments conducted	DMMU			
	Number of rapid vulnerability assessments conducted	DMMU	01		
	Number of DMMU Committee meeting held	DMMU	01	01	

After the presentation of the report by the sub-committee chairperson, members scrutinized and gave their views. First, it was noted that comments indicated in the report needed to be re-aligned to suit the targets and performance. The issue of Billboards was also raised by a member. It was emphasized that there was need to supervise the erection of billboards in the district noting that most of them were usually brought down by wind after being erected.

A member from National Heritage Conservation raised a concern on the issue of street vending around the Slave Trade Tree. In response, the Director of Public Health Mr. Herbert Mwanza indicated that he would look into the issue. In the same vein, the Chairperson emphasized the need to clear street vendors around the slave tree. She indicated that in the next meeting, she would want feedback on the issue.

*The Report was **noted***

DDCC/24/07/2025/3 GOOD GOVERNANCE SUB-COMMITTEE

The report was presented by Mr. Mwape Kapaya the Assistant Director Human Resources and Administration at Ndola City Council. The performance of the output indicators under each programme and the

targets achieved during the period under review was presented in the table below.

DEVELOPMENT OUTCOME 1: IMPROVED POLICY AND GOVERNANCE ENVIRONMENT					
STRATEGY 1: Decentralized Public Service Delivery Systems					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1. Sector Decentralisation	No. of by-laws formulated	NCC - Administration	Nil	Nil	
	No. of by-laws reviewed	NCC - Administration	1	1	
	No. of sensitization meetings on devolution	NCC - Administration	1	1	Pole levy
	No. of Functions Decentralized to Local Authorities	NCC - Administration	13	11	
	No. of management meetings with devolved depts.	NCC - Administration	3		
	No. of policies revised	NCC - Administration	Nil	Nil	
	Percentage of CDF projects monitored	NCC – Planning	100%	100%	The projects that are under implementation have been monitored
	Percentage of CDF projects completed	NCC – Planning	50%	4%	46 Community Projects that were approved under 2025 CDF are still under implementation while some are at procurement stage. Only 4 have been completed
2. Human resource management reforms	No. of Positions in Local Authority filled by qualified staff	NCC - Administration	740	740	
	No. of Human Resource Management Committee meetings held	NCC - Administration	3	3	
3.Fiscal decentralization	No. of revenue streams with Digitised Revenue collection System	NCC – Finance Dept			
	No. of revenue collection points automated	NCC – Finance Dept			

	Percentage of local Revenue Collected Quarterly	NCC – Finance Dept			
--	---	--------------------	--	--	--

STRATEGY 2: Strengthen Transparency and Accountability Mechanisms					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comment/Performance Attribution
1. Public Finance Management	Percentage of revenue audited quarterly	NCC - Audit	100%	50%	Information taking long to be availed
	Percentage of expenditure audited quarterly	NCC - Audit	100%	75%	Challenges of accessing information
	No. of spot-check audits conducted	NCC - Audit	100%	25%	
	No. of Audit Committee meetings held.	NCC - Administration	1	100%	On target
	No. of integrity Committee meetings held	NCC - Administration	1	Achieved	
	No. of Finance Committee meetings held	NCC - Administration	1	Achieved	
	No. of Full Council Meetings held	NCC - Administration	1	Achieved	
2. Public procurement management	No. of bids published on epg system	NCC - Procurement	53	100%	Special /Full Council
	Percentage of goods and services procured according to approved procurement plan	NCC - Procurement	80	75%	
3. Civic Education	No. of Documentaries on government programmes aired	NCC- PRM/ZANIS	4	Nil	Awaiting commissioning of some project
	No. of Newsletters published	NCC - PRM	1000	100%	On target
	Number of people reached with CDF information using digital platforms	NCC - PRM	100,000	39,000	NCC Facebook page is active with more people joining the platform
	No. of IDP sensitization meetings conducted	NCC – Planning Dept	1	1	One sensitization meeting was conducted through CDF radio program.
	No. of crime prevention awareness	Zambia Police – District CO			

	activities conducted quarterly (Community Policing)				
	No. of sensitization meetings conducted on corruption prevention	ACC			
	No. of sensitization meetings conducted on Drug Abuse Prevention	DEC			
	No. of community patrols conducted	Zambia Police			
	No. of street vending/public nuisance patrols conducted	NCC – Administration (Council Police)	50%	33	

STRATEGY 3: Strengthen Democratic and Political Governance

Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comment/Performance Attribution
1. Electoral Improvements	No. of citizens registered under continuous voter registration	ECZ			
	Percentage of women in lower-level governance structures (Councilors)	NCC - Administration		22.5	Out of thirty-one Councilor's NCC has 7 [female] councilors
	Percentage of women in lower-level governance structures (WDC)	NCC - Planning	50%	37%	121 Women were elected as Zonal representatives and the number still stands.
	Number of Citizens issued with NRCs	National Registration			
	Number of sensitisations meetings with Political Parties	ECZ	55%		7,624 people received voter education in the district
2. Affirmative Action	No. of commemorations observed and participated	All institutions (NCC/ZP/ACC/DEC)			

STRATEGY 4: Strengthen Land Management and Administration					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1. National Land titling programme	No. of Council Certificates of titles issued	NCC – Planning (Survey)	50	58	The target was met.
	No. of survey diagrams prepared	NCC – Planning (Survey)	50	12	Dependent on the flow of clients wanting to have titles.
	No. of site plans prepared for survey diagrams/occupancy license	NCC – Planning (Survey)	7	7	The target was met
	No. of recommendation letters issued to Ministry of Lands	NCC – Legal Department	1000	706	
2. Land management and administration	No. of plots offered to the public	NCC – Legal Department	1000	964	
	Percentage of Women/ Youth/ Persons with disabilities considered for land ownership	NCC – Legal Department	5		
	Number of site plans numbered	NCC – Planning	7	7	The target was met.
3. Urban and Regional Planning	No. of layout plans prepared	NCC – Planning	7	7	They target was met.

STRATEGY 5: Strengthen public service performance management systems					
Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1. Electronic government	No. of Human Resource processes automated	All Institutions (NCC/ACC/DEC/ECZ)	80%		
	No. of aautomated contract management and information system developed	All Institutions (NCC/ACC/DEC/ECZ)	45%		
	Number of Depts connected to the GWAN	All Institutions (NCC/ACC/DEC/ECZ)			
	Number of departments providing electronic	All Institutions (NCC/ACC/DEC/ECZ)	30%		

	services on the Government Service Bus (GBS)				
2. Performance Management System	Number of depts with Service Delivery Charters	All Institutions (NCC/ACC/DEC/ECZ)	100%		
	Number of One Stop Service Centres established	All Institutions (NCC/ACC/DEC/ECZ)	100%		

*The report was **NOTED***

DDCC/26/07/2025/3 PRESENTATION OF NEW NDOLA CITY COUNCIL REVENUE MANAGEMENT SYSTEM

The IT Manager for Ndola City Council Mr. Simon Shanyinde, informed the Committee that Ndola City Council had come up with a new Revenue Management System that would help improve revenue collection. He revealed that the system was outsourced from Chipata City Council.

Furthermore, the IT Manager demonstrated how the system worked and later on appealed to the public through the office of the District Commissioner (DC) to support the system and help to sensitize it.

After the presentation, the DC posed a question pertaining to what Ndola Public Relations team was doing to sensitize the public on the new system. In response, the IT Manager indicated that the Public Relations team for Ndola City Council had been conducting sensitizations through various media platforms.

DDCC/27/07/2025/3 CLOSING REMARKS/PRAYER

In her closing remarks, the chairperson emphasized the importance of time keeping. She added that dates for the third quarter DDCC meeting should be communicated on time to ensure that all members are fully informed. She further, advised departments that did not submit reports to do so before the next DDCC.

Finally, the Director of Public Health who was sitting in for the Town Clerk thanked all members for attending the meeting.

The meeting ended at 15:30 hours after a closing prayer from Lwiza Chisola, the Environmental Planner.

Signed in accordance with the Resolutions of the District Development Coordinating Committee Meeting Held on 22nd July, 2025.

APPENDIX 1

BRIEF PROGRESS REPORT ON CONSTITUENCY DEVELOPMENT FUNDS FROM 2023 -2025

The table below summarizes works done under Constituency Development Funds (CDF 2023-2025)

2025 CONSTITUENCY DEVELOPMENT FUND PROJECT (CDF)

Programme	Output Indicators	Responsible Institution	Target	Achieved/Performance	Comments/Performance Attribution
1X3 CLASS ROOM BLOCKS	No of Schools Constructed	DEBZ/NCC-Engineering	3	0	Tender
PROCUREMENT OF DESKS	No. of Desks Procured	DEBZ/NCC/HPSU-Engineering	1500	0	Procurement stage
CONSTRUCTION OF MATERNITY ANNEX	No. of Maternity Annex Constructed	DHO/NCC-Engineering	3	0	Tender
CONSTRUCTION OF A MOTHER'S SHELTER	No. of Mother's Shelter Constructed	DHO/NCC-Engineering	2	0	Tender
CONSTRUCTION OF POLICE POSTS/ STATIONS	No. of Police posts Constructed	ZP/NCC-Engineering	1	0	Funds to be re-allocated to 1X3 CRB at Itawa Primary School.
	No. of Police Stations Constructed	ZP/NCC-Engineering	1	1	Construction still on going
CONSTRUCTION OF MARKET SHELTERS	No. of Market Shelters Constructed	Housing/NC C-Engineering	4	0	3 at Tender and 1 one scope of work changed
ABLUTION BLOCK	No. of Ablution Blocks Constructed/Rehabilitated at Markets	Housing/NC C-Engineering	3	0	Tender
	No. of Ablution Blocks	ZP/NCC-Engineering	1	0	Tender

	Constructed at police posts/stations				
	No. of Ablution Blocks Constructed at Health centers	DHO/Housing/NCC-Engineering	1	0	Tender
CONSTRUCTION OF A CROSSING POINT/BRIDGES/PAVING OF ROADS/ROAD NETWORK/GRADING AND GRAVELLING OF ROADS	No. of Constructed crossing points	RDA/Housing/NCC-Engineering	1	0	
	No. of Constructed Bridge	RDA/Housing/NCC-Engineering	1	0	Tender
	No. of Roads Paved	RDA/Housing/NCC-Engineering			Tender
	No. of Kilometers done	RDA/Housing/NCC-Engineering		0	Tender
CONSTRUCTION OF A BOUNDARY WALL FENCE	No. of Constructed Boundary Wall fence	DEBZ/NCC-Engineering	4	1	1 still in progress and the other 3 are at tender stage
DRILLING/REHABILITATION OF A BOREHOLES	No. of Drilled/Rehabilitated Boreholes	KWSC/NCC-Engineering	3	0	Scope of work Changed
STREET LIGHTING	No. of Street Lighting Installed	NCC-Engineering	5	0	Tender
CONSTRUCTION OF REGISTRATION OFFICE	No. of constructed Registration office	NCC-Engineering	1	0	Tender
CONSTRUCTION OF CLINICS/PLACENTERS PITS	No. of constructed Clinics	DHO/ NCC-Engineering	1	0	Tender
	No. of constructed Placenta Pits	DHO/ NCC-Engineering	1		Tender

Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1X3 CLASS ROOM BLOCKS	No of Schools Constructed	DEBZ/NC C-Engineering	4	2	2 completed and 2 others are still in progress
	No. of Schools Rehabilitated	DEBZ/NC C-Engineering			
	No. Of Furniture Procured	NCC/HP SU-Engineering	1	1	Procured and delivered
	No. Of Tipper Trucks Procured	NCC/HP SU-Engineering	1	1	Procured and delivered
	No. of Grader Procured	NCC/HP SU-Engineering	3	1	1 Procured and delivered
	No. of TLB Procured	NCC/HP SU-Engineering	1	1	Procured and delivered
	No. of Ambulance	NCC/HP SU-Engineering	2	0	To be procured by the Ministry
CONSTRUCTION OF MATERNITY WING	No. of Maternity Wing Constructed	DHO/NC C-Engineering	1	1	Complete and awaiting commissioning
	No. of Maternity Wing Rehabilitated	DHO/NC C-Engineering	1	1	Project still on-going
CONSTRUCTION OF A MARKET SHELTER	No. of Market Shelters	Housing/ NCC-Engineering	2	2	Both completed Commissioned
CONSTRUCTION OF POLICE POSTS/ STATIONS	No. of Police posts Constructed	ZP/NCC-Engineering	2	1	One has been completed and the other one was cancelled and Funds re-allocated to

					constructing of Itawa 1x3 CRB and re-gravelling of roads.
ABLUTION BLOCK	No. of Ablution Blocks Constructed/Rehabilitated at Markets	Housing/ NCC-Engineering	2	2	Both Completed Commissioned
STREET LIGHTING	No. of Street Lighting Installed	NCC-Engineering	1	1	Completed and awaiting commissioning
CONSTRUCTION OF PARLIAMENT OFFICE	No. of constructed Parliament office	NCC-Engineering	1	0	Project has been postponed to 2025 with the funds being re-allocated to top ups of projects requiring to ups.
CONSTRUCTION OF CLINICS/ REHABILITATION/ PLACENTAL PITS	No. of constructed Clinics	DHO/ NCC-Engineering	3	1	Placental pit completed and the other projects were cancelled

2024 CONSTITUENCY DEVELOPMENT FUND PROJECT (CDF)

Programme	Output Indicators	Responsible Institution	Target	Achieved/ Performance	Comments/Performance Attribution
1X3 CLASS ROOM BLOCKS	No of Schools Constructed	DEBZ/NC C-Engineering	4	2	2 completed and 2 others are still in progress
	No. of Schools Rehabilitated	DEBZ/NC C-Engineering			
	No. Of Furniture Procured	NCC/HP SU-Engineering	1	1	Procured and delivered
	No. Of Tipper Trucks Procured	NCC/HP SU-Engineering	1	1	Procured and delivered
	No. of Grader Procured	NCC/HP SU-Engineering	3	1	1 Procured and delivered
	No. of TLB Procured	NCC/HP SU-Engineering	1	1	Procured and delivered
	No. of Ambulance	NCC/HP SU-Engineering	2	0	To be procured by the Ministry
CONSTRUCTION OF MATERNITY WING	No. of Maternity Wing Constructed	DHO/NC C-Engineering	1	1	Complete and awaiting commissioning
	No. of Maternity Wing Rehabilitated	DHO/NC C-Engineering	1	1	Project still on-going
CONSTRUCTION OF A MARKET SHELTER	No. of Market Shelters	Housing/ NCC-Engineering	2	2	Both completed Commissioned
CONSTRUCTION OF POLICE	No. of Police posts Constructed	ZP/NCC-Engineering	2	1	One has been completed and the other one was cancelled

POSTS/ STATIONS					and Funds re-allocated to constructing of Itawa 1x3 CRB and re-gravelling of roads.
ABLUTION BLOCK	No. of Ablution Blocks Constructed/Rehabilitated at Markets	Housing/ NCC- Engineering	2	2	Both Completed Commissioned
STREET LIGHTING	No. of Street Lighting Installed	NCC- Engineering	1	1	Completed and awaiting commissioning
CONSTRUCTION OF PARLIAMENT OFFICE	No. of constructed Parliament office	NCC- Engineering	1	0	Project has been postponed to 2025 with the funds being re-allocated to top ups of projects requiring to ups.
CONSTRUCTION OF CLINICS/ REHABILITATION/ PLACENTAL PITS	No. of constructed Clinics	DHO/ NCC- Engineering	3	1	Placental pit completed and the other projects were cancelled

2023 CONSTITUENCY DEVELOPMENT FUND PROJECT (CDF)

Programme	Output Indicators	Responsible Institution	Target	Achieved/Performance	Comments/Performance Attribution
1X3 CLASS ROOM BLOCKS	No of Schools Constructed	DEBZ/NC C-Engineering	5	5	Completed and commissioned
	No. of Schools Rehabilitated	DEBZ/NC C-Engineering			
	No. of Grader Procured	NCC/HP SU-Engineering	1	1	Procured and delivered
	No. of Electric pots	NCC/HP SU-Engineering	3	3	Procured and delivered
	No. of Tents procured	NCC/HP SU-Engineering	1	1	Procured and delivered
CONSTRUCTION OF MATERNITY WING	No. of Maternity Wing Constructed	DHO/NC C-Engineering	1	1	Completed and commissioned
CONSTRUCTION OF A MARKET SHELTER	No. of Market Shelters	Housing/NCC-Engineering	2	1	1 completed and the other 1 Project cancelled and funds channeled to top ups of the purchase of tipper trucks.
CONSTRUCTION OF POLICE POSTS/ STATIONS	No. of Police posts Constructed	ZP/NCC-Engineering	4	2	2 of the four projects have been completed and commissioned, the other 2 are still in progress.
ABLUTION BLOCK	No. of Ablution Blocks Constructed/Reh	Housing/NCC-	4	4	Completed and commissioned

	abilitated at Markets	Engineeri ng			
STREET LIGHTING	No. of Street Lighting Installed	NCC-Engineeri ng	2	2	Completed and commissioned
COMPLETI ON OF AN OFFICE BLOCK, SINKING OF BOREHOL E, SOAKAWA Y ELECTRIC POTS	No. of constructed Parliament office	ZP/NCC-Engineeri ng	1	1	Completed and commissioned
CONSTRU CTION OF CLINICS/ PLACENTE R PITS	No. of constructed Clinics	DHO/ NCC-Engineeri ng	3	2	2 Have been commissioned and 1 Project was Cancelled

CASH FOR WORK PROGRAMME – NDOLA DISTRICT

Period: January to May 2025

From: Director – Engineering Services

To: District Development Coordinating Committee (DDCC)

1. Introduction

This report provides a statistical and programmatic overview of the Cash for Work initiative implemented in Ndola District from January to May 2025. The programme is part of a broader national social protection strategy aimed at enhancing community well-being through short-term employment and the improvement of local infrastructure.

2. Programme Objectives

- Provide temporary employment to vulnerable individuals across Ndola.
 - Enhance local service delivery and improve small-scale infrastructure.
 - Empower women and youth through inclusive public works programme.
 - Support community resilience and household-level economic recovery.
-

3. Beneficiary Overview

A total of **36,511** individuals benefited from the programme in the four constituencies of Ndola: Bwana Mkubwa, Chifubu, Kabushi, and Ndola Central. The breakdown below presents figures disaggregated by age group and gender.

Summary of Beneficiaries

Constituency	Age Group	Male	Female	Total
Bwana	18–35	2,017	2,065	4,082

Constituency	Age Group	Male	Female	Total
Mkubwa				
	36–45	1,492	1,526	3,018
	46–60	1,511	1,544	3,055
	Subtotal	5,020	5,135	10,155
Chifubu	18–35	1,770	1,811	3,581
	36–45	1,329	1,359	2,688
	46–60	1,330	1,359	2,689
	Subtotal	4,429	4,529	8,958
Kabushi	18–35	1,376	1,408	2,784
	36–45	1,037	1,061	2,098
	46–60	991	1,014	2,005
	Subtotal	3,404	3,483	6,887
Ndola Central	18–35	2,000	2,046	4,046
	36–45	1,484	1,517	3,001
	46–60	1,470	1,499	2,969
	Subtotal	4,954	5,062	10,016
TOTAL	—	17,807	18,704	36,511

4. Key Observations

- **Gender Participation:** Female beneficiaries slightly outnumbered male participants (51.2% vs 48.8%), reflecting strong inclusion of women.
- **Youth Inclusion:** The 18–35 age group remains the most represented across all constituencies, indicating high demand for youth employment support.

5. Implementation Highlights

- Engagements included roadside maintenance, drainage clearing, and community facility renovations.
- Collaboration with mobile service providers (MTN) to improve the disbursement of funds

6. Challenges

- Failure to pay beneficiaries due to invalid phone numbers
- Duplicate NRCs and Phone numbers, adding to the number of beneficiaries who cannot be paid.
- Dumping of garbage on debris from drainage clearing, further complicating the process for contractors hauling the debris.

7. Recommendations

- Publicly hire data clerks in all wards.
- Carry out a series of stakeholder reorientation exercises.
- Ensure that projects are guided by the engineering services department.

8. Conclusion

The Cash for Work programme has positively impacted household livelihoods, enhanced community infrastructure, and empowered women and youth across Ndola District. Sustaining and scaling this initiative will deepen its developmental contribution and reinforce social cohesion.
