DECLARATION OF INTEREST

There was no declaration of interest recorded.

NOTICE OF MEETING

The notice of meeting was read by the Town Clerk Mr. George Mulenga.

EID/110/09/24

CHAIRPERSONS REMARKS

In his opening remarks, the Chairperson Councillor Evalisto Banda welcomed everyone to the meeting and informed the Committee that Engineering department was the department that responds to peoples needs in terms of development. He further encouraged the Committee members to deliberate freely and ask questions where clarity was needed.

Having said the above remarks, he declared the meeting officially open.

EID/111/09/24

RECEIPT OF GRANT FROM NATIONAL ROAD FUND AGENCY (TOLL FEES) TO SUPPORT ROADS MAINTENANCE BY THE COUNCILS

The Director of Engineering reported that the National Road Fund Agency (NRFA) had commenced the disbursement of quarterly grants through the Ministry of Finance to local authorities for road and drainage maintenance purposes. Ndola City Council received Six Hundred Thousand Kwacha (K600,000.00) for the first and Second quarters of 2024, respectively.

On a visit to the district, NRFA official guided that the grant was a percentage of collections from toll fees and was to be used on budgeted works for road and drainage maintenance in 2024 Council budgets. The Department of Engineering Services therefore targeted spending the money on budgeted materials, equipment and works attached as “*Appendix A*”.

The Committee *Noted* the report

EID/112/09/24

CASH FOR WORK PROGRAM (CFW) FUNDED BY THE MINISTRY OF LOCAL GOVERNMENT AND RURAL DEVELOPMENT (MLGRD)

The Director of Engineering reported that Pursuant to Circular No. MLGRD/52/3/3 dated 21st August 2024, Ndola City Council received One Million Six Hundred Thousand Kwacha (K1, 600,000.00) from the Ministry of Local Government and Rural Development (MLGRD) as funding for the '**Cash for Work Program**' which was a drought mitigation initiative that was scheduled to run up until April 2025 providing temporal employment opportunities to vulnerable individuals in exchange for daily and monthly cash ceilings of K60 and K600, respectively.

Under the CFW Programme, communities both in Urban and Rural Areas would be made to undertake various community tasks such as;

- Clearing debris in drainages
- Gabbage collection
- Molding and transportation of bricks for construction of community infrastructure;
- Community toilets (construction, rehabilitation and/or digging)
- Public/community building or facilities (construction of public houses, watering trough, digging of soakways, site clearing, digging of foundations, construction of community shelters
- Environmental restoration(erosion control)
- Flood control infrastructure, construction and maintenance to manage flood water movement and reduce disaster risk (i.e. canal clearing, drainage construction and run off redirection.

Local Authorities would be responsible for the CFW programme in each constituency in order to utilise existing structures at community level when identifying works such as the WDCs, CWACs, SDMCs, traditional leadership and community members. Engineers from the LAs would be expected to determine the value of the works and standardize payments to be made to beneficiaries.

The program of CFW under Ndola City Council commenced on Monday 10th September 2024 in all the four (04) Constituencies with a priority on drainage works in preparation of prevention of floods in the rain season.

The Committee ***Noted*** the report.

EID/113/09/24

NAMING OF TOWNSHIP ROADS

It was reported by the Director of Engineering that in 2014, Ndola City Council approved themes detailed below of roads names for newly established townships at the time. Unfortunately, there was no further progress on the council naming exercise. The department had resumed the exercise and identified the pool of potential road names which included for newly created areas as highlighted below and recommended for Adoption.

S/NO.	APPROVED THEME	NUMBER OF ROADS TO BE NAMED
1	Tree and Plants	90 (already Approved by Council)
2	African Presidents	30
3	African Cities	24
4	African Countries	53
5	Freedom Fighters	53
6	Zambian Chiefs	49
7	Zambian Towns	29 (already Approved by Council)
8	The Clergy	40
9	Sports Men and Women	29 (already Approved by Council)
10	Zambian Presidents and their Vices	14
11	Zambian Districts	116
12	Mayors, Town clerks of Ndola and major rivers in Africa	

Upon a proposal by Councillor Simon Muleba and duly seconded by Councillor Mathews Musonda it was;

RECOMMENDED;

That the proposed themes for naming of township roads *be Approved* and that the themes be mixed and not limited to an area.

EID/114/09/24

PARKS AND GARDENS SECTION: MAINTENANCE OF ROUNDABOUTS

It was reported by the Director of Engineering that Council may be aware that Ndola City Council has tried and failed to enter into a formal contract with G. Rutherford for the maintenance of roundabouts. Therefore, the maintenance of roundabouts had reverted back to the Local Authority. Management had managed to have Kafubu Water and Sanitation Company (KWSC) reconnect the water supply lines at the roundabouts. The Council had received a number

of requests from firms that would like to adopt these facilities for maintenance purposes. Management therefore sought the authority of the Council through the committee to advertise for adoption of these premises so as to enter into Memoranda of Understanding with would be successful applicant/s for maintenance purposes. G. Rutherford Outdoor Advertising Company may also participate in the process if they would be interested.

Upon a proposal by Councillor Rhoda Chinene and duly seconded by Councillor Cindy Kaluba it was;

RECOMMENDED;

That the item *be referred* back to allow management for more engagement with Mr. G. Rutherford and hear his position and the matter be reported to the Council.

EID/115/09/24

IMPLEMENTATION OF CONSTITUENCY DEVELOPMENT FUND (CDF) COMMUNITY PROJECTS

The Committee was informed that as at 17th September 2024, the status of the implementation of Constituency Development Fund (CDF) Community Projects stood as detailed in “*Appendix B*” attached hereto.

The Committee *Noted* the report.

EID/116/09/24

ROUTINE ROADS MAINTENANCE WORKS

The Director of Engineering Services reported that during the period under review Ndola City Council in conjunction with stakeholders such as the Road Development Agency (RDA) undertook pothole patching of Kafue Road, Mushili Road, Lukasu Road, Zambia Road, Corts Street, Nakambala Road, Crompton Road and Liberia Road. A total of 3km of gravel roads in Kansenshi, Twashuka, Yengwe and Kavu Wards, were re-gravelled and graded under capital funds as completion of the programme that was started last year.

The Committee *Noted* the report.

EID/117/09/24

ROAD MARKING

It was reported by the Director of Engineering Services that during the period under review, the roads section undertook the marking of parking slots in Ndola Central Business District (CBD). The section encountered numerous mini-Carwashes in the Town Centre which were not only unsightly but reduced available parking space. A total of One Hundred and Ninety Six (196) car park slots were reserved by various companies.

The Committee *Noted* the report.

EID/118/09/24

MECHANICAL WORKSHOP

The Director of Engineering reported that during the period under review, the department undertook stock take of all Council motor vehicles. Attached as “*Appendix C*” was the list of the vehicles which showed the status of each of the vehicles during the stock take.

During the period under review, the Grader for Bwana Mkubwa Constituency Development Fund that had developed a knock engine while in its warranty period for replacement of the faulty engine was hauled. The said faulty engine had since been replaced with a new one and the grader had been brought back in working condition.

The Committee *Noted* the report.

EID/119/09/24

FIRE SERVICES ACTIVITY REPORT

It was reported by the Director of Engineering Services that during the period under review, Fire Section Undertook the following activities: -

i. OPERATIONS

The operations Unit attended to **(49)** incidents broken down as follows: -

- a) 16 No. calls were attended to Fire and Fire Related Incidents
- b) 05 No. calls were attended to Special service of Emergency Nature
- c) 28 No. calls were attended to Special Service of Non-Emergency nature

ATTENDANCE TO FIRE RELATED EMERGENCY INCIDENTS

S/N	TYPE OF INCIDENT	NO. OF INCIDENTS
01	Dwelling houses	02
02	Vehicle fires	01
03	Business premises(shops/offices)	04
04	False alarm Malicious	03
05	Zesco poles/sparks issuing	00
06	Garbage/Bush fires	05

The Committee *Noted* the report.

EID/120/09/24

VARIATION OF WORKS ON THE PROJECT FOR THE UPGRADE OF THE LUSAKA-NDOLA ROAD – 30KM TOWNSHIP ROAD IN NDOLA DISTRICT

It was reported by the Director of Engineering that Council received a letter from the Road Development Agency dated 29th July 2024 which requested Ndola City Council to submit a list of roads to be rehabilitated and upgraded to bituminous standard under the project for the upgrade of the Lusaka-Ndola Road to dual carriage way. The Council was guided to submit the requested list of roads totaling 30km with consultations from the Road Development Agency Regional Engineers – Copperbelt Province, Office of the District Commissioner and Office of Members of Parliament for the four (04) constituencies in Ndola District.

When worked on, the identified roads would easy movement of people and goods and services to and from various facilities within townships of Ndola district. It would further reduce on cost of operation and tear and wear of vehicles.

Attached hereto as *Appendix ‘D’* was the list of roads that was submitted.

On a proposal by Councillor Simon Muleba and duly seconded by Councillor Bester Chibwe, it was;

RECOMMENDED;

That the list of roads to be rehabilitated and upgraded to bituminous standard under the project for the upgrade of the Lusaka-Ndola Road to dual carriage way *be Ratified*.

The meeting ended at 18:14 hours followed by a prayer conducted by the His Worship the Mayor Jones Kalyati

Sign in accordance with the Resolutions Passed by the meeting of Engineering, Infrastructure Development and Emergency Services Committee held on 23rd September, 2024
