PIS/314/09/2024 RE-PLANNING OF A LOW-COST COMMERCIAL STAND ALONG NDOLA-KITWE ROAD - PIS/281/02/2024

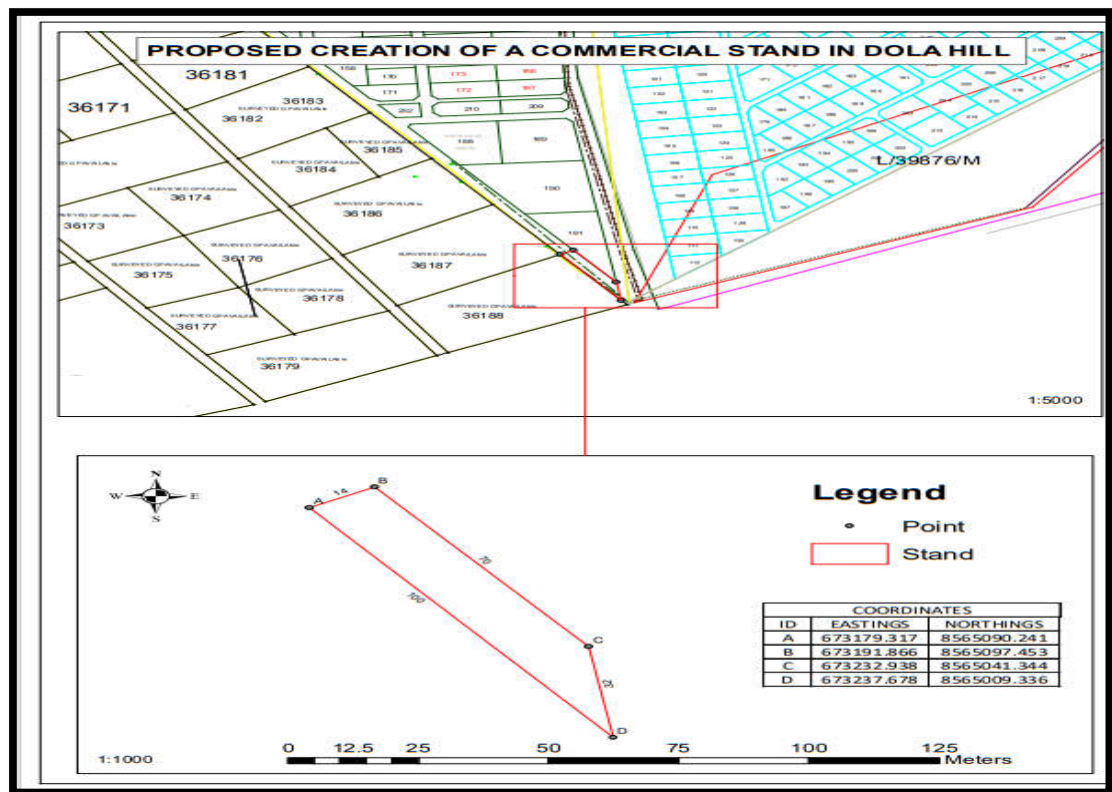

The Director of City Planning reported that in the meeting of the Committee held on Thursday 8th February, 2024, reported that the Department was in receipt of an application from Dorothy Mwansa, a Zambian national who wished to apply for a low-cost Commercial plot. The area under consideration was earmarked as an access road with width of 14m and 120m in length.

The access road was no longer in use since the surrounding properties to be serviced had other alternative access and was suitable for the creation of a low-cost Commercial plot. Management recommended that the application for the proposed low-cost Commercial plot as shown in the site plan below be approved.

However, Council under Minute Number **PIS/281/02/2024** recommended that;

‘That a tour be conducted to the site by authorized officials in order to appreciate what was on the ground before a decision could be made’.

WASH ACTIVITIES

The Director of City Planning reported that during the period under review, the Ndola City Council, SUNTA Project, Doctors without Borders, Red Cross Society, Seeds of hope, District Health Office, Department of water resources Development, Department of Water Development and Sanitation conducted the following activities which lead to increase in access to safe and clean water, sanitation and hygiene at household and community levels.

Below were the key highlights achieved in the period under review.

- **Hygiene promotion:**

In the quarter under review, the D-WASHE members worked well to promote tenets of good hygiene practices through door-to-door sensitization campaigns.

- **Community-led Total Sanitation (CLTS):**

In the quarter under review, the implementation of CLTS activities were undertaken, the activity was extended to Kaniki and Dag Hammarskjold Wards (Pima 1, Pima 2, Soweto A, Soweto B, Kamfinsa, Ngwenya, Twibukishe, Kakupepa, New Dag Hammarskjold), which had initially failed to attain the ODF status.

Defecation Free (ODF) status:

D-WASHE verified 10 Communities for Defecation Free status as follows
1. Pima ,2 Pima 3, Soweto A, 4. Soweto B, 5. Kamfinsa, 6. Ngwenya, 7. Twibukishe, 8. Kakupepa, 9. New Dag 10. Hammarskjold. Out of 10 verified villages one village Pima 1 did not meet the requirements and only nine (9) villages were certified as ODF by the P-WASHE (Provincial Water, Sanitation and Hygiene Education) Committee.

The district had seriously intensified efforts to ensure that the rural parts claim ODF and the peri-urban side seriously improved on basic Sanitation. It had been evidenced by an increase in the number of people gaining access to basic sanitation.

- **Access to Clean and safe water:**

- 1. Borehole rehabilitation/reconstruction:**

In the period under review Ndola City Council with support from doctors without borders completed the rehabilitation works for 12 boreholes.

PROVINCIAL ADOLESCENTS AND YOUNG PEOPLE INDABA ON HIV/ AIDS AND GENDER BASED VIOLENCE

The Director of City Planning reported to the committee that Ndola District hosted the Provincial Adolescents and Young People Indaba on HIV/ AIDS and Gender Based Violence. The Indaba was intended to address the rising cases of new HIV/AIDS, STDs, STIs, Teen Pregnancies and Gender Based Violence among Adolescents and Young People. The Indaba provided the Adolescents and Young people an opportunity to voice out the reasons behind the rising cases with the view of reviewing current interventions and their effectiveness in reducing these cases amongst this target group. The Indaba established that the reasons for the rising cases included;

- Lack of adequate or correct information among young people and adolescents.
- Stigma from Health care providers.
- Lack of knowledge on the appropriate facilities available for young people and Adolescents.
- Cultural and Religious beliefs of the community hindering provision of services to young people and Adolescents.

The Indaba had participation from all 10 Districts on the Copperbelt Province.

The Committee *Noted* the report.

PIS/325/09/2024 2024 NATIONAL HIV TESTING COUNSELLING AND TREATMENT DAY (NHTCT)

The Director of City Planning informed the Committee that Ndola District joined the rest of the Country in commemorating National HIV Testing, Counselling and Treatment Day on the 15th of August 2024. The day was used to create demand for HIV testing and counselling. HIV testing was the gate way to treatment. HIV testing and treatment was a major national strategy that was aimed at reaching epidemic control by 2030. 2024 commemoration was held in Kaloko, at Kaloko Primary School grounds.

The commemoration targeted communities in Kabushi and Bwana Mkubwa. The National commemoration attracted participation from all constituencies and Wards in the District. The commemoration was used to offer free HIV Testing, Counselling and treatment.

REF: APPROVAL OF THE TERMS OF REFERENCE AND SCOPING REPORT FOR THE ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENT FOR THE PROPOSED CONSTRUCTION AND OPERATION OF INTERCITY BUS TERMINUS AT OLD MASALA CEMETERY IN NDOLA DISTRICT BY NDOLA CITY COUNCIL.

The above matter refers.

Zambia Environmental Management Agency (ZEMA) has reviewed the Terms of Reference (TORS) and Scoping Report for the Environmental Impact Assessment (EIA) of the said proposed project.

We would like to inform you that the Terms of Reference (TORS) and Scoping Report have been **approved**.

✳ Therefore, you may now proceed to conduct the EIA. The approved TORS and EIA team members are as follows:

1. PROJECT SITE LOCATION AND BRIEF PROJECT DESCRIPTION

The project involves transforming an old cemetery into a modern bus terminal in the Masala area of Ndola District. The layout includes entry/exit points, bus parking areas, terminal facilities, green spaces, and preservation zones. The terminal will have a main entrance at the north and a secondary exit at the south for traffic flow. Bus parking will be organized with lanes and bays for different routes. The terminal building will provide amenities for passenger comfort and accessibility. Green spaces will be added for aesthetics and biodiversity.
