REPORT OF THE TOWN CLERK

OC/275/07/2025

PROPOSED CANCELLATION, REPLANNING AND RENUMBERING OF STANDS NO. NDOLA/LN_83231/38 TO 44 TO ACCOMMODATE THE EXTENSION OF THE REGIONAL VETERINARY LABORATORY SITUATED IN NDOLA DISTRICT

The Town Clerk reported that the Council was in receipt of a request letter from the Office of the Copperbelt Permanent Secretary to cancel, re-plan and renumber Stands No. NDOLA/LN_83231/38 to 44 to accommodate the extension of the Regional Veterinary Laboratory situated in Ndola. This was following the recent physical inspection of the Regional Veterinary Laboratory Plot, by the Presidential Delivery Unit wherein it was established that the land apportioned for the facility was too small to accommodate the said facility and activities associated to its use.

In view of the above, on 6th June 2025 an urgent meeting was called by the Office of the Permanent Secretary, with the relevant Government Ministries to discuss the way forward with regards to the same, and it was resolved that there was an urgent need for the size of the Plot to be increased to accommodate the aforementioned facility.

Ndola City Council was hereby requested to facilitate the process of cancellation, replanning and renumbering of Stands NDOLA/LN_83231/38 to 44 situated in Baluba area to accommodate the extension of the reserved parcel of land for the Regional Veterinary Laboratory. ***See the attached Site Plans for details.***

Consequently, considering that this was the Government directive, the Ministry of Lands together with Ndola City Council would be required to look for alternative land for the owners of the affected Stands (i.e. NDOLA/LN_83231/38 to 44) with the view of relocating them.

On a proposal by Councillor Ntambo Kabwebwe and duly seconded by Councillor James Banda, it was;

RESOLVED: that;

The Ministry of lands being the Principal must first re-enter stands No. NDOLA/LN-83231/38 to 44, which the ministry offered to individuals then the Council as Planning Authority shall proceed to cancel, re-plan and renumber the stands as one plot.

OC/276/07/2025

END OF EMERGENCY CASH TRANSFER PROGRAMME

The Town Clerk reported to the Council that in the 2023 to 2024 rain season, Zambia faced a critical emergency due to a severe dry spell triggered by the El Nino effect, which profoundly affected the country's agriculture and placed over six million people at risk. In response to the national disaster, the Government of the Republic of Zambia (GRZ) declared it an emergency, underscoring the broader vulnerability of the country to climate-induced shocks.

Under the Emergency Cash Transfer program, Ndola District targeted **29,159** households that were enrolled in the Programme to receiving a transfer value of K800.00/bimonthly. A total of 24,331 enrolled in the Social Cash Transfer program received a monthly top-up of K200, bringing the total monthly benefit to K400. Payments were disbursed on bi-monthly basis in alignment with the regular Social Cash Transfer payment cycle and riding on the existing payment structures established by the Ministry of Community Development and Social Services.

The drought emergency response was intended to be implemented for a period of one year. The Ministry of Community Development and Social Services (MCDSS) made the last payment to the beneficiaries in the March/April 2025 payment cycle, with beneficiaries receiving through ZANACO.

Further that there were still a few beneficiaries who had not yet received due to submission of wrong phone numbers, but corrections had been made and awaiting for the wallets to be opened and then make payments.

Therefore, all those who benefited from the intervention would stop receiving Emergency Cash Transfers once the round of payment was done and those on the regular Social Cash Transfer would continue receiving their funds.

The Ministry of Community Development and Social Services would maintain the transfer values for the households with members living with disabilities and non-disabled households who used to get K1,200.00 and K800.00, respectively. These were the new amounts that would be received bimonthly starting May/June 2025. The Emergency Cash Transfer

beneficiaries in these categories, the aged, persons with disabilities, would be considered in the next Emergency Cash Transfer Scale-Up, if found eligible and would transition to regular Emergency Cash Transfer

The report was **Noted**.

There being no other business to transact, the meeting ended at 19:34 hours and thereafter the National Anthem was sung followed by a closing prayer from the Assistant Director of Finance, Mr. Shem Samalela

Signed in accordance with the Resolutions passed by the Meeting of the Ordinary Council
